

Jamtastic are a fun and seriously funky professional band. With outstandingly tight musicianship and undoubtedly the finest singers on the circuit, Jamtastic - the best band of their size in the UK - bring excitement, variety and pure quality to one of the most enjoyable nights of live musical entertainment you are likely to have the pleasure of experiencing.

an exceptional band providing live music for corporate or private promotions and parties

If you want to organise the sort of event that people are raving about for months or even years afterwards, Jamtastic are the band you are looking for. Blending youth with 12 years of professional experience; classic tunes with the best of the very latest chart sounds; show quality with a pleasant and friendly approachability, Jamtastic have played at some truly prestigious occasions; but perhaps their biggest strength is the ability - every time - to provide exactly what the audience want to perfectly hit the spot at every one of their numerous performances, no matter how big or small.
